NOTE TO TEACHER / PARENT

This book has 25 common sight words and 20 other words.

The words are repeated throughout the book so that children can easily read and learn the words.

The repetition is aimed to build confidence and recognition for those learning to read, and is fun for toddlers to join in.

At the end there is a word list and exercises for spelling the less common words.

Enjoy!

Under the sea,
What do you see?
Come and look with me!

I see a big shark!
Can you see?
Come and look with me.

Under the sea,
What do you see?
Come and look with me!

I see a stingray!
He's grey and flat.
Can you see? Come and look with me.

Under the sea,
What do you see?
Come and look with me!

I see a starfish,
she's pointed like a star!
Can you see?

Under the sea,
What do you see?
Come and look with me!

I see a clown fish,
he is funny!
Come and look with me.

Under the sea,
What do you see?
Come and look with me!

I see a jelly fish,
he goes wiggle wobble, like jelly.
Can you see? Say wiggle wobble with me!

Under the sea,
What do you see?
Come and look with me!

I see an angel fish,
she is shaped like an angel.
Can you see? Come and look with me.

Under the sea,
What do you see?
Come and look with me!

I see a dolphin,
swimming and smiling.
Can you see? Come and look with me.

By the sea,
What do you see?
Come and look with me!

I see a seal, lying on the beach.
Can you see?
Come and look with me.

ABOUT THE CREATOR

Danielle Bruckert is a professional pilot and an aviation writer. She began writing and publishing children's books in 2007, as a creative outlet from the procedural nature of her job, as a break from technical writing, and for the pure enjoyment of it. Her hobby led to the creation of the popular website, <http://www.freekidsbooks.org>, where all of Danielle's books, and many others, are available for free download or read online. At the time of publication, Danielle has successfully published around 12 children's books, along side her 8 successful aviation text books. Danielle's aviation text books and blogs can be found at: <http://www.redskyventures.org>.
